🌐 LinkedIn

## Professional Summary

Dynamic and skilled web developer with expertise in HTML, CSS, JavaScript, React, Next.js, TypeScript, WordPress, Webflow, Shopify, and Tailwind CSS, Chakra UI, Firebase, seeking a challenging position to leverage my experience in creating innovative and responsive web applications. Aiming to contribute to a forward-thinking company where I can enhance my skills and grow professionally while delivering high-quality digital solutions.

## Work Experience

### Web Developer

Feb 2024 - Aug 2024

Pearl Organisation, Dehradun, Uttarakhand

Developed and maintained web applications using HTML, CSS, JavaScript, and React. Collaborated with design and backend teams to implement new features and improve existing ones. Enhanced website performance and user experience through optimization and regular updates.

### Front End Software Engineer

Nov 2022 - Nov 2023

Rovae Incorporation, Dehradun, Uttarakhand

Designed and implemented responsive user interfaces for various web applications. Worked closely with the development team to integrate front-end components with backend services. Utilized modern front-end frameworks and tools to improve code quality and development efficiency.

### Analyst Programmer

Aug 2024 - Present

Ebizon Digital, Dehradun, Uttarakhand

Successfully executed projects for external clients, demonstrating strong project management and execution capabilities. Designed and implemented creative solutions that enhanced user experiences and boosted client satisfaction. Collaborated with cross-functional teams to deliver top-quality products under tight deadlines.
